CMC MINOR

The Contemporary Music Minor recommends curricular offerings at partner institution to include credits below. The minor allows department to offer a minor in Nashville that prepares students for careers in the live events industry, challenging them to live out their faith as Christ-followers.

Students must apply for and be accepted at the Contemporary Music Center (CMC). The CMC semester is a division of Greenville University and fully accredited.

Students choose one of four tracks, course requirements listed below. Student may earn the minor by completing the following 16 credit hours + 2 credit hour prerequisite.
